

Mineral Adsorbents

PRODUCT INFORMATION SHEET

Mineral-based adsorbent products for feed applications. Composition and intended use are confirmed by grade.

Country of origin

Confirmed per quotation

Packaging

Bags

Delivery

DAP, destination by agreement

Product overview

Product characteristic	Grade-specific mineral profile
Form / grade	Confirmed with the offer
Analysis	Grade-specific TDS on request
Batch documentation	Requested with quotation

Portfolio characteristics are indicative. Numerical analysis, grade and acceptance limits require a current grade-specific TDS.

This sheet is not a batch certificate, signed TDS or certificate of analysis. Current technical documentation and applicable certificates are available on request.
